## LARAC seeking proposals for 2010 Exhibitions

### Lapham Gallery Opportunities for 2010

*The Lower Adirondack Regional Arts Council is developing the exhibition schedule for 2010 at Lapham Gallery in Glens Falls, NY and is now accepting proposals from artists.*

Each year, Lapham Gallery presents three to four grouped solo exhibitions of art in all media created by local and regional professional artists.

Work must be recent and original. Artists who have had solo exhibitions at Lapham Gallery in the years 2008, and 2009 are not eligible to submit work for the 2010 Exhibition Schedule. We encourage entry applicants working in all disciplines, including textiles, photography, 3-dimensional work, and mixed mediums.

All submissions are juried by a different selection panel each year; artistic merit, strength of proposal and originality are among the criteria the panel considers when deciding on their selection.

The deadline for receipt of proposals for the 2010 exhibition season is August 31, 2009. The attached application form details artwork sample and proposal submission guidelines. For questions, please call Gallery Director Diane Swanson at (518) 798-1144, x-2.

*LARAC's Lapham Gallery is located on Lapham Place on City Park in downtown Glens Falls, NY. The gallery provides artists and artisans with a professional well-exposed space to display their work, whether in individual or group shows. Exhibition publicity includes opening receptions, marketing in the form of postcards and press releases, and website promotion.*
