LAPHAM GALLERY

2012 Call for Submissions

The Lower Adirondack Regional Arts Council is developing the 2012 exhibition schedule at Lapham Gallery in Glens Falls, NY and is now accepting proposals from visual artists.

Lapham Gallery invites emerging and professional artists to submit images of original recent artwork for consideration by jury. Lapham Gallery annually features three- five exhibitions of selected artists. We encourage artists working in all disciplines to apply, preference is given to artist residing locally and in the regional Northeast. Submitting artists will be considered for solo, two person, or grouped exhibition.

All submissions are juried by a different selection panel each year; artistic merit, strength of proposal and originality are among the criteria the panel considers when deciding on their selection. Artists who have had solo exhibitions at Lapham Gallery in the years 2010 and 2011 are not eligible to submit work for the 2012 Exhibition Schedule.
